As in the Agenda of the meeting; in the morning session; the progress of the project since 2<sup>nd</sup> International Meeting was evaluated by all partners.

Ms.İlin discussed on two main topics which are IO1 (Educational Needs Analysis Report) and IO2 (Review and analysis of current situation report related to adult refugees' education). She also added that from the obtained data, IO3- The Scientific Paper is going to be developed. The partners are aware of the refugees' lack of Digital Literacy Module.
